Phase II and Phase III

Date: 07.08.2020

Sl. No	Section / Clause	Clause amended vide Corrigendum dated 20.07.2020	Query of NHPC	Response of CWC
1.	Section II, Short listing Criteria Clause (iii) and (iv)	<p><i>The average annual turnover of the consultancy firm shall not be less than Rs 200 Cr or US\$ 29 M for consultancy services during last 5years</i></p> <p>(a) In case the applicant is a JV of two partners, the lead partner should meet 60% of requirement of the annual turnover, and the other JV member should meet 40% of requirement of annual turn over.</p> <p>(b) In case the applicant is a JV of three partners, the lead partner, second partner and third partner should meet 60%, 40% and 25% of annual turn over requirement respectively</p>	<p>-NHPC Limited is a premier Hydropower Utility of Government of India engaged in implementation of hydro electric projects throughout India as Owner/BOOT basis. Till date NHPC Limited has commissioned 22 Hydro projects aggregating to 6971.2 MW including JV projects</p> <p>-Five Hydro electric projects aggregating to 4924 MW including JV projects are under construction and 7401 MW are under Clearance stage</p> <p>-All the design and engineering, Contract Management, Project Management services etc to these projects are provided by our in-house expert division. The value of such services provided to the various projects is booked in the project cost on annual basis as per the Audited Balance sheet.</p> <p>-In addition to above, NHPC is also providing Consultancy Services in various aspects of hydro power development to various Clients in public and private sectors</p> <p>-For fulfilling the requirement of Average Annual Turnover with reference to Section-II Clause III, does the value of Services rendered by the expert in house division to NHPC own projects and booked to the project cost as per Audited Balance sheet, qualify for short listing criteria for submission of EOI as Individual members /Consortium of 2/3 members?</p>	<p>It is noticed that NHPC has provided in house services to NHPC own projects, but as per the short listing criteria of average annual turnover, it shall be based on the value of external consultancy services rendered by NHPC. <i>The value of consultancy services rendered by the in-house expert of the firm will not be considered for average annual turnover criteria of short-listing.</i></p> <p>Keeping in view above fact, NHPC may review its annual average turnover accordingly.</p>
